Infinity[®] 2 MG

Carpet Tile Backing

Mannington Infinity 2 MG Carpet Tile Backing is an ideal flooring solution for high moisture slabs. In specific applications, Infinity 2 MG allows for no moisture testing. The backing is designed to let the tile breathe, protecting your carpet investment and permitting quick-turn installations. Infinity 2 MG is available on almost all Mannington Commercial carpet tile styles and sizes, and carries a limited lifetime warranty.

Product Information

- Attached non-woven polyester fleece allows moisture to wick to the seams and evaporate
- No moisture testing required in the absence of hydrostatic pressure and standing water or visible water stains
- Limited lifetime backing warranty
- Installs quickly and easily with FreLock Tabs
- Available on almost all of our carpet tile styles and sizes

Warranted to Work

Infinity 2 MG carries a Limited Lifetime Backing Warranty and is produced in-line at Mannington facilities.

Recommended Adhesives

Infinity 2 MG Carpet Tile should be installed with one of the following adhesives:

- Infinity 2 Adhesive - Lifetime Bond Warranty
- XpressStep Spray Adhesive for CarpetTile - 10 Year Bond Warranty
- 3x3 or 3x10 FreLock Tabs - 3 Year Bond Warranty

Environmental Attributes

- CRI Green Label Plus Certified
- CDPH v1.1- 2010 Compliant
- May contribute to LEED credits

Get the flooring you need in a flash with our stunning Xpress selection, crafted for any space.

In-stock availability for:

- Modular carpet
- LVT
- Resilient sheet
- Rubber wall base
- Rubber stair treads
- Rubber tile

105% carbon offset cradle to gate (A1-A3)

Made in the USA

The molecular strength of type 6,6 nylon delivers greater resilience against matting and resists abrasive wear, keeping carpet looking better longer.

Easier to Maintain

- ✔ XGUARD® Stain Resistant Technology provides long-term stain resistance for our space dye products.
- ✔ ColorSafe® Bleach Resistant Technology resists color fade-out from bleach spills for our space dye products.
- ✔ Moisture-barrier backings are built to withstand aggressive wet cleanings.

Sustainable Solutions

- ✔ Supported with third party verified EPDs and HPDs.
- ✔ Infinity® 2 Modular and rEvolve® II backings are NSF/ANSI 140 Gold Certified and contain recycled content.
- ✔ Recognizing the impact that the built environment can have on Earth's climate and health, Mannington Commercial is improving operations and offsetting cradle-to-gate embodied carbon by 105% on this collection, as part of our commitment to helping customers take positive action through their projects.

Backing Advantages

- ✔ Infinity® 2 and rEvolve® II Modular backings provide exceptional performance with a moisture barrier as well as superior tuft bind and dimensional stability with a limited lifetime warranty.
- ✔ rEvolve® II is a PVC-free modular backing. For additional backing options please visit our website.

TARR

- ✔ Dynamic Shift Collection carpet was specifically designed with a 3.5 TARR rating for heavy use environments with substantial foot traffic. This includes conference rooms, open office areas and classrooms. Our TARR rating is tested and verified by an independent lab.

Proven by Third-Party Testing | Every carpet we make at Mannington Commercial is third-party tested and proven to exceed industry standards in appearance retention, texture retention, fire safety factors and static generation, and our modular carpet exceeds industry standards in dimensional stability—so you can be sure that the carpet you specify will perform for years to come.

No Moisture Testing Required*

Solutions crafted for high-moisture conditions. Defeat moisture issues with carpet backings that do not require moisture testing*.

We have solutions for broadloom and modular carpet to make moisture worries evaporate. From backing options to adhesives to a dry installation system, explore solutions that defeat moisture concerns while enhancing the performance of your floor.

View full collection specs.

- Specifications are based on averages from normal manufacturing tolerances. Such variations do not affect product performance.
- Protective chair pads are recommended under office chairs with roller casters to preserve appearance and avoid premature wear.
- As with all quality carpets, slight variation in color may occur from dye lot to dye lot.
- Backing or other materials may be changed without prior notice when shortages occur or when technological advancements provide improved product performance.
- This product is intended solely for use as an indoor floor covering and is not recommended or sold for any other purpose.
- The inherent characteristics of geometric linear patterns can result in double-dark or double-light lines at the seam and to some extent pattern run-off or bias. This is not a manufacturing defect, and as such, should be considered when selecting a modular carpet installation method.
- Please make your final selection from an actual swatch. To order samples, go to manningtoncommercial.com or call 800.241.2262
