

MATERIALITY

Wall Base

WELL V1 & V2

Material Health as a Measure of Performance

For Mannington Commercial, material choices are inseparable from performance. We believe flooring should do more than last. It should support healthier spaces for people, reduce impact on the planet, and meet higher standards of transparency and safety. By holding every component to rigorous benchmarks, we craft our products to deliver performance you can trust from the inside out.

		Edge Effects	Burkebase Type TV	Burkebase Type TP	Burkebase Type TS
Recycled Content	PRE-CONSUMER % (post-industrial)	0%	0%	0%	0%
	POST-CONSUMER %	0%	0%	0%	0%
Manufacturing Location Zip Code	Manufacturing Location Zip Code	32784	32784	32784	30701
