

Integra HP[®] Limited Lifetime Warranty

FEATURES WARRANTED

Mannington Commercial, a business unit of Mannington Mills, Inc. "Mannington" provides this limited warranty ("Warranty") to the original purchaser of its Integra[®] HP carpet subject to the exclusions, conditions and limitations described below:

Mannington warrants the carpet against manufacturing defects as follows:

1. **Moisture Barrier** - For the life of the carpet, the carpet's moisture barrier will not permit liquids spilled on the carpet to penetrate through the vinyl pre-coat.
2. **Wick Back** - For the life of the carpet, the carpet's vinyl pre-coat technology will not promote wick-back stains.
3. **Delamination** - For the life of the carpet, the carpet will not delaminate from secondary backing.
4. **Tuft Bind** - For the life of the carpet, the carpet will provide superior tuft bind in high traffic environments.
5. **Unraveling** - For the life of the carpet, the carpet will not show continuous unraveling of yarn at the seams.
6. **Static Charge** - For the life of the carpet, the carpet will not produce static charges in excess of 3.0 KV when tested under the standard AATCC-134 test method.
7. **Wear** - For the life of the carpet, the carpet will retain at least 90% by weight of pile fiber.

EXCEPTIONS AND LIMITATIONS

This warranty is only available if the Mannington Commercial carpet has been properly installed and subjected to normal indoor use. Further, this warranty applies only to manufacturing defects, and does not cover (i) deterioration of carpet appearance, (ii) pile reversal (watermarking), (iii) damage to the carpet, or (iv) failure of carpet installation that is not the result of a manufacturing defect. By way of example, without limitation, this warranty does not cover: tears, cuts, pulls, burns, pile crush or shading variations (conditions that are not manufacturing defects), dye lot differences, the exposure of carpet to excessive sunlight, the installation of carpet on stairs, or any wear or damage resulting from (i) abnormal use or abuse, (ii) use of athletic equipment (e.g. roller skates, golf shoes, ski boots, etc.), (iii) inadequate roller casters on chairs, (iv) use of improper cleaning agents or maintenance methods, or (v) installation or maintenance not in strict compliance with Mannington Commercial recommended procedures.

EXCEPTIONS AND LIMITATIONS

This Warranty shall not be effective, unless the following conditions are satisfied:

1. The carpet must be installed and maintained in strict compliance with the applicable Mannington Commercial installation and maintenance procedures and guidelines.
2. Mannington's brand adhesives must be used for bond warranty. Use of other adhesives will void bond warranty.
3. The carpet must be installed indoors, for commercial, not residential use.
4. The attached Warranty Registration Form must be completed, signed by all parties, and returned to Mannington within 90 days of installation.
5. Chair pads are recommended but are not required for warranty purposes.
6. **No Moisture Testing Required for Integra HP when installed with Integra 2 Adhesive provided the slab has an intact vapor barrier, no standing water or stained concrete, no hydrostatic pressure and a pH level that does not exceed 10.**

- If these requirements are not met, a full assessment of subfloor moisture levels must be tested using a combination of calcium chloride testing according to ASTM- F-1869 and relative humidity testing with in-situ probes according to ASTM-F-2170.

Additional testing and test placement will be required before installing Integra® HP utilizing the ASTM- F -1869 or ASTM-F- 2170 test method requiring three tests for areas up to 1,000 sf and one test for each additional 1,000 sf area or fraction thereof.

Testing for chemical pH. All concrete subfloors must be tested for chemical pH on bare concrete surface according to standards set in ASTM F-710 and found to have a pH range of 10 before installing Integra® HP.

Please note that the forgoing is provided for summary reference, only. Please be sure to refer to our technical services bulletin "moisture and ph testing of Mannington flooring products" for more detailed and specific instructions on test methods, ambient conditions and other requirements prior to any installation.

PRODUCT LISTINGS AND WARRANTY TERMS

This Warranty covers the original end use purchaser of the Mannington carpet at its original installation site and is not transferable.

Except as set forth herein, there are no express warranties made by Mannington on this carpet. This warranty excludes all implied warranties, including implied warranties of merchantability and fitness for a particular purpose (some states do not allow the exclusion or limitation of implied warranties, so this limitation or condition may not apply to you).
