

Modular Carpet Backing Options

Infinity[®] 2 MG

Carpet Tile Backing

Mannington Infinity 2 MG Carpet Tile Backing is an ideal flooring solution for high moisture slabs. In specific applications, Infinity 2 MG allows for no moisture testing. The backing is designed to let the tile breathe, protecting your carpet investment and permitting quick-turn installations. Infinity 2 MG is available on almost all Mannington Commercial carpet tile styles and sizes, and carries a limited lifetime warranty.

Product Information

- Attached non-woven polyester fleece allows moisture to wick to the seams and evaporate
- No moisture testing required in the absence of hydrostatic pressure and standing water or visible water stains
- Limited lifetime backing warranty
- Installs quickly and easily with FreLock Tabs
- Available on almost all of our carpet tile styles and sizes

Warranted To Work

Infinity 2 MG carries a Limited Lifetime Backing Warranty and is produced in-line at Mannington facilities.

Recommended Adhesives

Infinity 2 MG Carpet Tile should be installed with one of the following adhesives:

- Infinity 2 Adhesive - Lifetime Bond Warranty
- XpressStep Spray Adhesive for Carpet Tile - 10 Year Bond Warranty
- 3x3 or 3x10 FreLock Tabs - 3 Year Bond Warranty
