NEW ABSTRACTS

See Color Differently

Arteca's in-house designers have poured all of their knowledge and skill into creating and designing these 18 products which will change the way you see, experience and ultimately use color.

With three designs and a broad spectrum of tones that perform beautifully as part of a pattern, subtle accents or flooded across a floor, the carefully curated interaction between infinite color and texture will redefine your vision of color.

INSPIRING
POSSIBILITY

An extraordinary range of products, palettes and patterns that give you the design choices to realize your creative vision.

NEW ABSTRACTS

Diffusion

Brighten a variety of spaces with a gentle palette of four fresh pastel shades, delicate hues and a soft chalky texture.

Diffusion Blush, Diffusion Verdigris, Diffusion Chambray, Diffusion Charcoal

Encaustic

Bring earthy, raw texture to your space with four colorways influenced by the saturated tones of minerals, marble and semi-precious stones.

Encaustic Mineral, Encaustic Tourmaline, Encaustic Umber, Encaustic Jasper

Stucco

Softly textured for a fine, sophisticated finish, these ten hues range from mottled watercolors to soft concretes and dry plaster—creating the perfect tool for experimentation.

Stucco Quartz, Stucco Putty, Stucco Sage, Stucco Hay, Stucco Clay, Stucco Pebble, Stucco Cave, Stucco Flax, Stucco Indigo, Stucco Frame

NEW STONES

Channel a Future Classic

Tempus is a hybrid design that explores the creative space between ceramic and stone. Allow the colors, textures and finishes to guide you to the perfect floor.

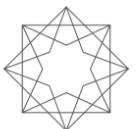

Tempus

Cool, calm, almost soothing, Tempus is a new architectural material and a perfect choice for clean, simple interiors. Its six colorways are inspired by the beautiful flaws of stone – capturing the essence of time passing through earth's organic processes.

2

Our new woods celebrate the unique qualities of timber through the process of hand working color and texture into the grain, resulting in a range of colorful tones and contemporary wood finishes.

Products range from monochromatic, weathered pines, to color stained and revived timber, with variations designed to be mixed and contrasted.

Uniquely Signature

Explore six of our best new, exclusive laying patterns, crafted to reflect the refined beauty of our Signature products. Personalize them with your own choice of color combinations.

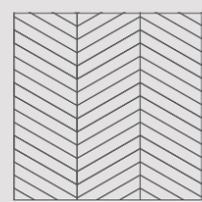

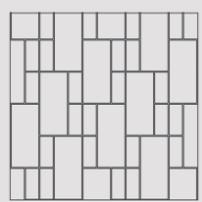

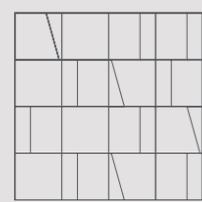

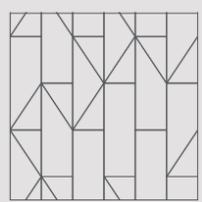

Aspekt
A considered variant of the classic brick pattern, with sharp geometric edges for a striking repeat.

Edge
Contemporary and versatile; in varying color combinations, Edge carries both drama and sophistication.

Frame
A striking effect with both subtle and bold hues. Frame adds an architectural aesthetic to even the simplest of schemes.

Halcyon Pleat
With its large scale and simple angles, Halcyon Pleat adds character and charm to open plan spaces.

Feeling Inspired? We have plenty more distinct designs exploring non-standard sizes, shapes and color combinations to get your creativity flowing. Take the next step in finding your perfect floor with our online visualizer.

NEW LAYING PATTERNS

Choosing the right laying pattern has dramatic impact, adding excitement to open-plan layouts or enhancing small spaces. Make an eclectic statement with an abstract pattern or opt for more subtle and traditionally elegant styling.

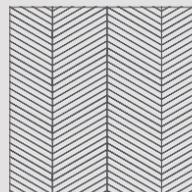

Passo

An elegant pattern with simple detailing, Passo sits beautifully as both a full floor and as a rug feature.

Ribbon Pleat

With subtle chevron angles and delicately sized planks, Ribbon Pleat widens spaces and adds classic interest.

Why choose Arteca Signature?

Three reasons why Arteca is the ultimate creative partner

1 US manufacturing excellence

Every Arteca Signature floor is made to order by our expert teams in Madison, GA. We're proud to be manufactured in the USA. This means our team can work together to push the boundaries of flooring by experimenting with products and techniques, sharing skills and expertise. Collaborating to create products that are both beautiful and technically excellent. Products you can trust because they are made with pride.

2 Design innovation

Because we constantly analyze commercial design trends and specifier feedback, we can develop useable flooring designs that will ignite your imagination and meet the ever-shifting challenges of your segment.

3 Experienced service and support

At every stage of our collaboration, we speak your language. From product selection to on-site installation and maintenance advice, a dedicated specialist with experience in your segment will make sure your project runs smoothly.
