Workplace Solutions

Crafted with Purpose

Mannington Commercial provides the industry's broadest portfolio of flooring solutions, designed and crafted to support the highest quality experience in the workplaces that matter to you and the people who use them.

Flooring to support creativity, wellness,

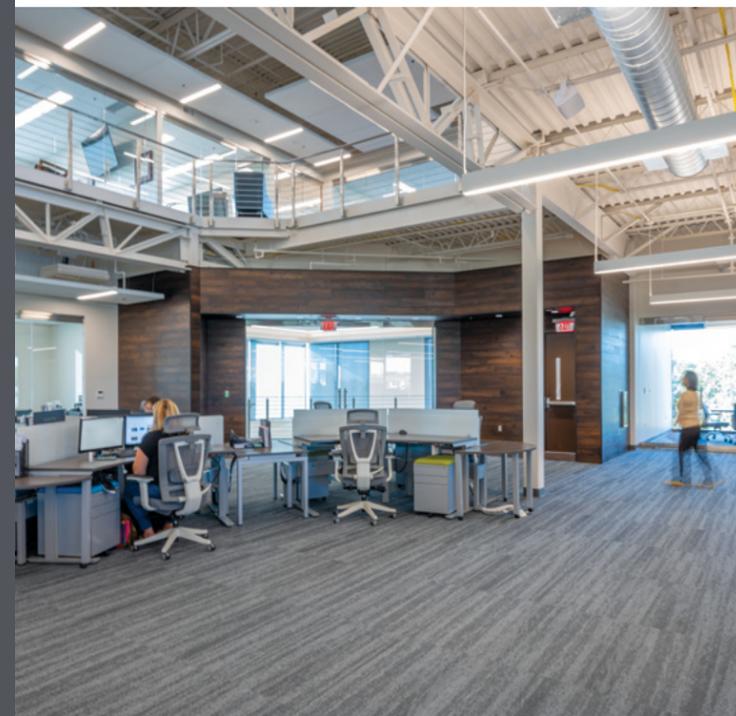

collaboration, focus, productivity & more

01

Crafted daily:

- > Modular Carpet & Broadloom
- > LVT & Non-vinyl Resilient Tile
- > Heterogeneous & Homogeneous Sheet
- > Rubber Tile & Sheet
- > Wall Base, Stair Systems, Moldings & Finishing Accessories

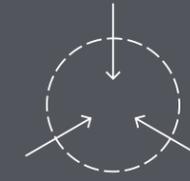

We bring you a vast array of flooring options designed and engineered by people who take pride in their craft—because we know that you take pride in yours.

Our product portfolio supports your vision of form and function, while also meeting the high-performance standards required by today's busy workplace environments.

Large or small, formal or informal, office spaces demand careful consideration. When acoustics, comfort and style have been carefully designed to meet and enhance the form and function of a space, you have the potential to create an engaging, dynamic and hard-working environment.

We craft with purpose to inspire, to perform, to make a positive impact and to meet all our customers' flooring needs.

Invite Collaboration

Introduce 'zones' within a scheme to define or differentiate areas, using visual cues and changes between hard and soft flooring. Select the most appropriate collection for each workspace—for example dynamic, hard-wearing flooring for busy collaborative areas—to create a logical flow through the space.

Enable Focus

In addition to collaborative spaces defined by bright accents or hard-wearing materials, it's vital to provide quiet work areas. We offer many flooring solutions to help reduce noise pollution while also providing a soft, comfortable surface when used for extended periods—the foundation of a focused, productive atmosphere.

Flooring Elevates the Space

The right flooring decisions can elevate the beauty and efficiency of any space. Our Design Solutions team offers a full-service floor design program called FloorMaps, in which we provide you with custom flooring layouts, from concept to installation plan. With FloorMaps, you can leverage our expertise to easily bring your workplace to a higher level.

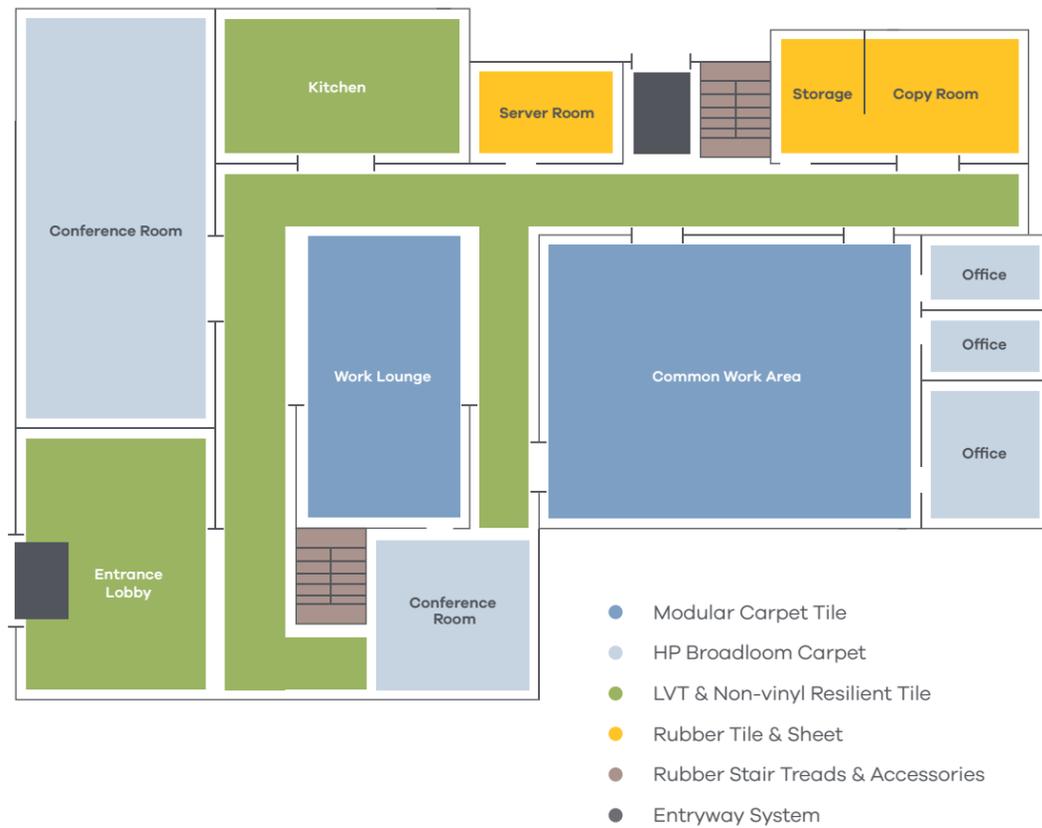

When You Need It Fast

Our Xpress program delivers high-performance, coordinating products on a tight timeline. The extensive range of styles, aesthetics, price points and colors ensures that you can craft the spaces you want in the time frame you need.

Fit-For-Purpose Flooring

We offer a consultative relationship based on fully understanding your needs and challenges. That means listening to you and helping you choose the right solutions for your specific workplace. With our extensive range of product types and expertise, you get perfectly fit-for-purpose flooring every time.

Whether it's traditional or open plan, casual or formal—clearly defined spaces provide a sense of movement and purpose giving people the cues they need to share and work in a space productively.

Color Anchor LVT: Stride - Sterling Gray C140, London Fog C139, Cottontail C138

Our products are expertly engineered to deliver a floor that works harder and smarter.

You'll find a range of advanced technologies across our entire portfolio, so you can have the optimal flooring products for any set of performance needs and the most challenging workplace demands.

06

Crafted to Exceed Your Goals

We have engineered industry-leading technologies into our flooring to ensure that each product lasts longer for you, delivers easier, more cost-effective maintenance and provides easier installation.

Fact-based Solutions

Our claims tie back to comprehensive product and finish warranties, third-party testing and evidence-based design. Your floors will perform like we say they will.

Skillfully Made

With more than 100 years of expertise, careful management of ingredients and manufacturing plants certified to ISO 9001 standards, our flooring brings time-tested quality to your spaces.

07

American Made

All of our carpet, resilient sheet, rubber and more than 90% of our LVT is made in the USA. When you choose our floors, you support local economies and get products of higher quality.

Carpet Modular & Broadloom

With industry-leading fiber systems and superior manufacturing, our carpet styles look better and last longer than any other carpet in the marketplace.

Proven by Third-Party Testing

All of our carpet products are third-party tested and proven to exceed industry standards in appearance retention, texture retention, fire safety factors and static generation, and our modular carpet exceeds industry standards in dimensional stability – so you can be sure that the carpet you specify will perform for years to come.

Backing Advantages

- > Infinity® 2 Modular backing provides superior performance with a moisture barrier.
- > rEvolve® II is a vinyl alternative modular backing with high performance and a moisture barrier.
- > Integra® HP is a high-performance broadloom backing with an impermeable moisture barrier, featuring a limited lifetime wick-back warranty.
- > UltraBac® RE broadloom backing offers strong performance and excellent environmental benefits.
- > Infinity® 2 MG backing allows for installations in areas with up to 99% RH.

Easier to Maintain

- > All the carpet fiber we use delivers greater resilience against matting and resists abrasive wear, keeping the carpet looking better.
- > XGUARD® Stain Resistant Technology provides long-term stain resistance for our space dye products.
- > ColorSafe® Bleach Resistant Technology resists color fade-out from bleach spills for our space dye products.
- > Moisture-barrier backings are built to withstand aggressive wet cleanings.

Sustainable Solutions

- > Supported with EPDs and HPDs.
- > rEvolve® II is a vinyl alternative modular backing certified NSF/ANSI 140 Gold.
- > UltraBac® RE broadloom backing contains a minimum of 10% post-consumer recycled content and is certified NSF/ANSI 140 Gold.

TARR

- > All Mannington Commercial carpets are made with a minimum 3.0 TARR (Texture Appearance Retention Rating), meaning any carpet you specify will be able to withstand heavy commercial traffic. The TARR on our carpets is tested and verified by an independent lab.

Entryway Systems

- > Our high-performance entryway systems are the ideal way to extend the life of your flooring as well as enhance the safety and cleanliness of your entire facility. Choose from a variety of styles to fit any interior aesthetic.

Hard Surface Products

Our hard surface flooring offers a perfect marriage of science and art, delivering the highest level of durability and cleanability across the broadest range of visuals, options and sizes in the industry.

Proven by Third-Party Testing

Our hard surface products are third-party tested and proven to exceed industry standards, including resistance to slipping, indentation, fading from light and deterioration from chemicals, ensuring long-lasting beauty, cleanability and safety.

LVT & Non-vinyl Resilient Tile

- > Quantum Guard® technologies ensure the industry's highest scratch resistance, ease of cleaning and appearance retention.
- > Most products are available with QuickStix® pre-applied adhesive, which reduces installation time and suits subfloors with up to 99% RH.
- > Products with FloorArmor® are waterproof and offer a 68 IIC rating with sound abatement pad.

Resilient Sheet

- > Quantum Guard® technologies are engineered for industry-leading ease of cleaning and advanced resistance to abrasions and stains.
- > A variety of heterogeneous, homogeneous, slip resistant and heterogeneous light constructions ensure the best product for any application.
- > Most products are available with QuickStix® pre-applied adhesive, which reduces installation time and suits subfloors with up to 99% RH.
- > Seam+Advantage allows chemical welding of the seams between sheet and carpet, providing a seamless transition that is hygienic and safe.
- > Weld rods are available in more than 100 colors for beautifully seamless spaces.

Rubber Tile & Sheet

- > Our superior recipe with proper curing allows our rubber products to look better and be easier to maintain long-term.
- > Carefully engineered profiles provide better acoustics and greater comfort underfoot.
- > Our rubber never needs to be waxed, thanks to a proprietary combination of inherent waxes.

Accessories

- > Fusion® rubber transition strip provides a nearly seamless transition between carpet and hard surface flooring. A variety of other performance transition strips and moldings are also available.
- > Multiple types of wall base available in up to 100 colors allow for the perfect match in any space.
- > Our wide range of stair systems meet guidelines established by the ADA.

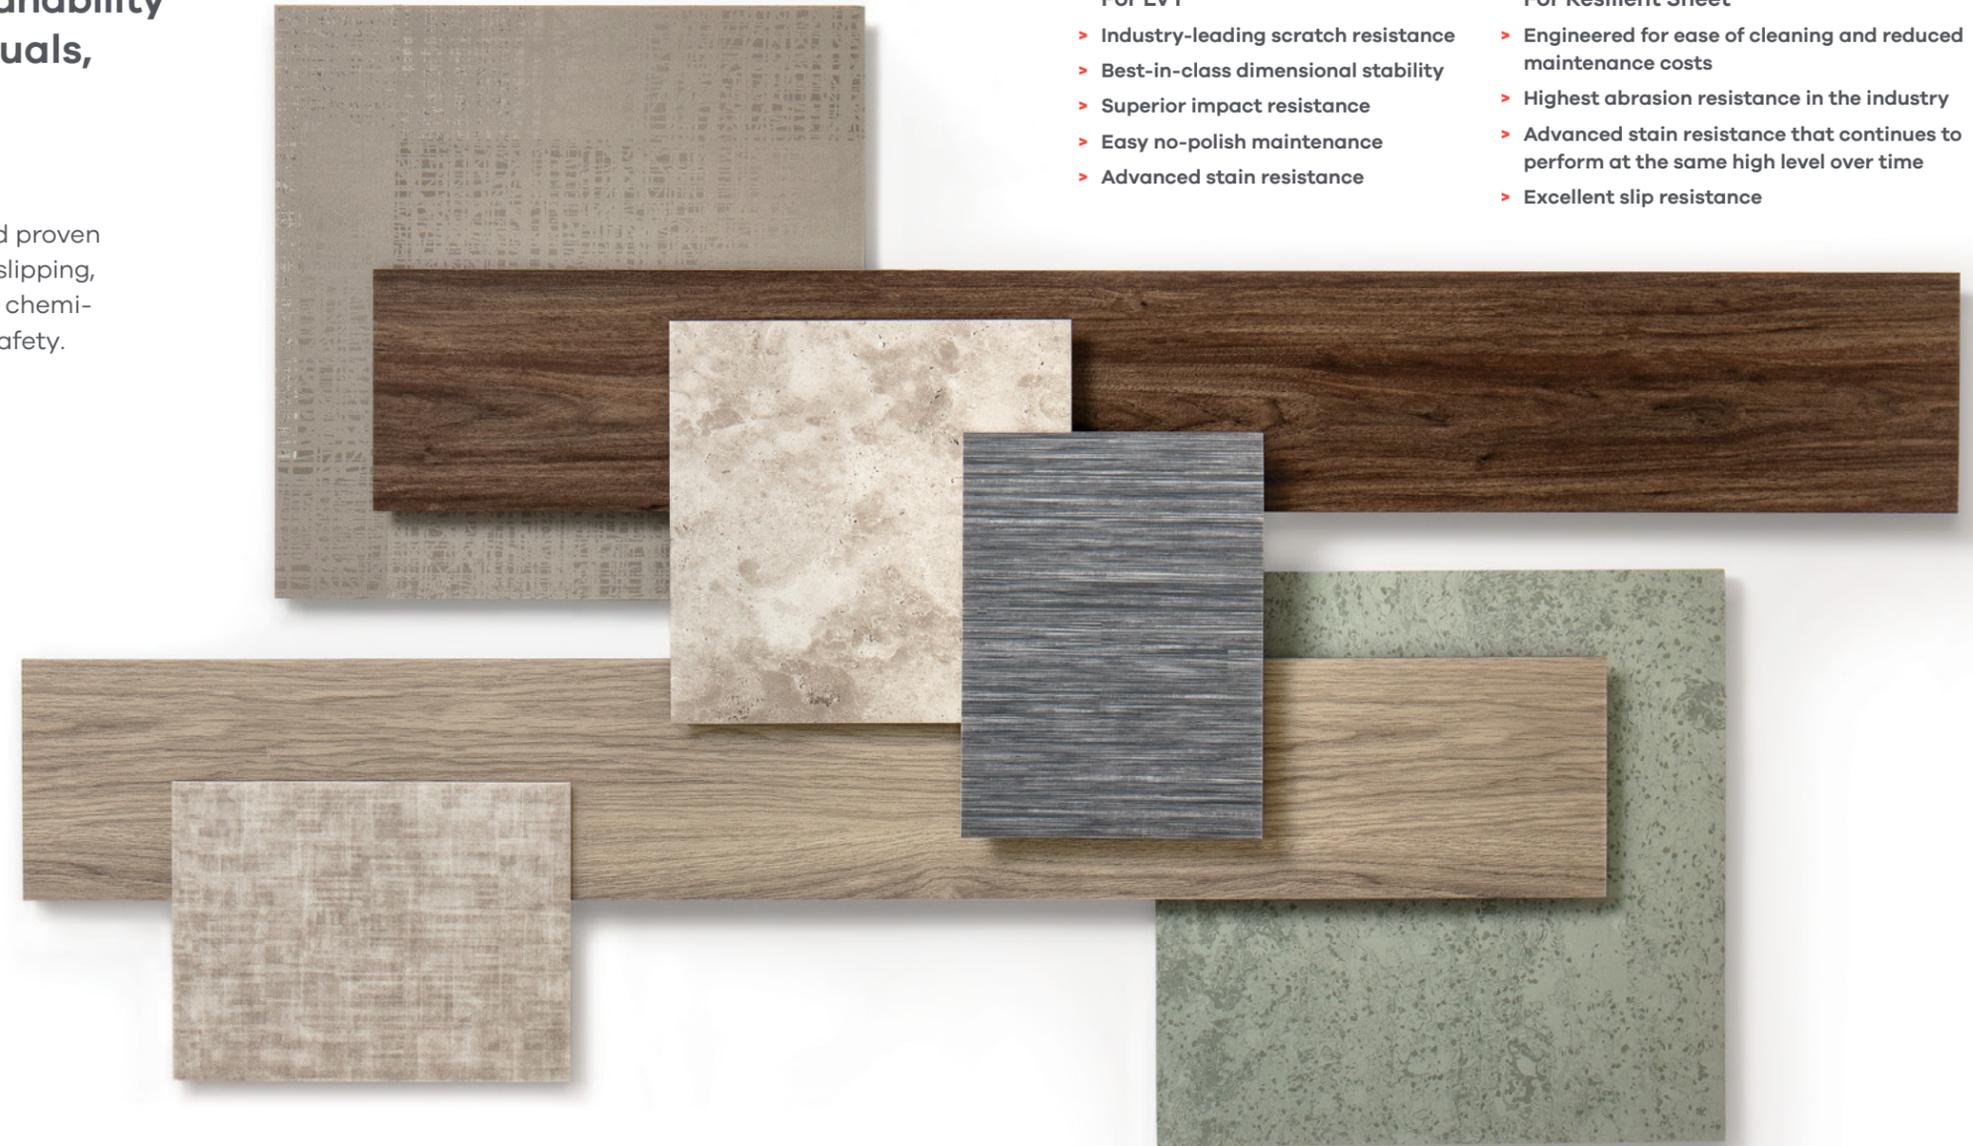

We created Quantum Guard® Elite to be the ultimate solution for all aspects of performance in LVT and resilient sheet flooring.

For LVT

- > Industry-leading scratch resistance
- > Best-in-class dimensional stability
- > Superior impact resistance
- > Easy no-polish maintenance
- > Advanced stain resistance

For Resilient Sheet

- > Engineered for ease of cleaning and reduced maintenance costs
- > Highest abrasion resistance in the industry
- > Advanced stain resistance that continues to perform at the same high level over time
- > Excellent slip resistance

Sustainable Solutions

- > All of our hard surface flooring is FloorScore® Certified and features an industry-wide third-party certified Type III EPD.
- > The Cirro Collection features non-vinyl planks and tiles that are made without PVC or phthalates and contain recycled content.
- > Many of our LVT products contain rapidly renewable resource content and are HPD certified.
- > Our LVT and resilient sheet products have a non-ortho phthalate construction

Largest Product Offering

- > With the industry's largest portfolio of hard surface flooring, we are able to bring you an array of solutions for every type of space and any combination of performance needs.

Infinitely Innovative

Raise the bar on your designs with LVT from our Amtico Collections, featuring an unrivaled breadth of creative possibilities and 50-plus years of legendary performance.

Memorable Spaces Start with Amtico

Our USA-made Amtico Collections offer premium high-performance LVT with more styles, formats, layouts and custom design options than anyone else in the industry.

If you can imagine it, we can create it.

Features:

- > Incredible range of running-line abstract, stone and wood LVT styles
- > Full custom capabilities for any visual or logo
- > Multiple running-line formats as well as unique and custom shapes
- > Creative Signature and Choice layouts for designing a unique space quickly and easily
- > Online visualizer to explore layouts and get CAD-ready files
- > 40 mil (1 mm) wear layer and Quantum Guard® technology for unrivaled durability
- > Made in the USA, delivering faster turnaround for custom designs

Amtico Wood - Tranquil Grain

Custom Pattern

Amtico Stone - Tempus Echo, Embrace, Restore, in Arrow Layout

Amtico Stone - Tempus Restore, Stria Volcanic Stripping in Flagstone Layout

We have crafted our entire company to help make the complex simple when it comes to flooring.

We are the only company to manufacture both carpet and hard surface flooring domestically. With 95% of our products being made in the USA, customers benefit from reduced lead times and no additional costs due to increased tariffs.

Strategic Accounts

At Mannington Commercial, Strategic Account Management is a company-wide initiative focused on developing long-term mutually beneficial relationships.

We build partnerships through dedicated strategic account managers and professionally trained staff specialized in managing every detail of your flooring operational needs. Our level of experience in providing multi-product solutions and the accountability with which we support them on a regional, national and global level make us a uniquely qualified vendor and invaluable flooring partner.

Services

- > A dedicated strategic account specialist and support team delivering a consistent, global-level experience
- > Market segment managers that know your business
- > All of our ProSolutions services
- > Accountability for every step of our products' life
- > Experts in bundling of multiple product offerings
- > National discount volume pricing
- > Quarterly reports of purchases

For additional information on becoming a Strategic Account Partner, please contact our team at sa_orders@mannington.com or 800-321-2519.

Design Solutions

Our Design Solutions team offers a full-service floor design program called FloorMaps, in which we provide you with custom flooring layouts, from concept to installation plan, for one room or an entire facility. With FloorMaps, you can leverage our floor design expertise to easily achieve your goals for any space. Simply contact us to get started.

Deliverables

- > 2D bird's-eye view of layout patterns for your spaces
- > 2D installation diagrams based on your floor plan
- > 3D room scenes of your products in your layout patterns

ProSolutions by Mannington Commercial

ProSolutions is crafted to make the complex simple when it comes to flooring. As your partner, we are able to deliver a completely streamlined solution for selecting, installing and maintaining flooring for all of your applications.

Services

- > Installation project management
- > Single project manager – one point of contact
- > Site visits
- > Moisture testing
- > Industry-leading moisture solutions suitable for installations up to 99% RH
- > Installation scheduling
- > Phasing diagrams
- > Material management
- > Shipping and delivery coordination
- > Removal of existing flooring
- > Installation
- > Furniture, fixture and modular removal and/or replacement
- > Site coordination with general contractor, owners or site representatives
- > Closeout packages including specifications, warranty and cleaning/maintenance information

Crafted to Make a Positive Impact

Being Transparent

We offer EPDs and HPDs on a wide range of our products to help you assess environmental and health impacts. EPDs are available for our modular carpet and Integra HP® broadloom, our resilient sheet, rubber tile and LVT products. HPDs are available for our modular carpet, Integra® HP, UltraBac® RE broadloom and many of our LVT products.

Paper Collection: Crinkled Paper - Carbon 15223

Products from Mannington Commercial may contribute to multiple LEED credits, and we have made it easy to get the documentation you need for the LEED process: simply visit our website or the mindful MATERIALS website to locate all of our products' certifications and transparency documents.

Let's Work Together

Whether you need custom options, coordinating hard and soft surface flooring, solutions for a high-moisture slab, or all of the above—we have a product crafted for you.
