COLLECTION

Honey Oak S-W2504

When it comes to flooring, no-one is more experienced than Amtico International. We've been delivering beautiful flooring for over 40 years.

Aesthetically and in terms of performance, durability and maintenance there's nothing quite like our flooring.

Honey Oak S-W2504

As part of the rolling refurbishment plans, a flooring solution was needed that could be practical for high-traffic areas but also match up to the reputation of quality carried by the hotel group.

Amtico Classic Oak & Light Oak, coming with a 15 year commercial warranty against wear-out, were used in the main high-traffic areas such as lobbies and restaurants.

To compliment, Spacia Honey Oak with its warm tones was chosen for the guest rooms.
