

Infinity[®] 2 MG Cushion

Carpet Tile Backing

Mannington Commercial Infinity 2 MG Cushion Carpet Tile Backing is an ideal flooring solution for high moisture slabs. In specific applications, Infinity 2 MG Cushion allows for no moisture testing required. The backing is designed to let the tile breathe, protecting your carpet investment and permitting quick-turn installations. The cushion provides greater comfort underfoot as well as enhanced acoustic comfort. Infinity 2 MG Cushion is available on almost all Mannington Commercial carpet tile styles and sizes.

Warranted to Work

Infinity[®] 2 MG Cushion carries a Limited Lifetime Backing Warranty and is produced in-line at Mannington facilities.

Product Information

- Exceptional cushion underfoot compared to regular tile backing
