

# Supporting Mercy Medical Angels<sup>®</sup>

Mercy Medical Angels removes the barrier to medical care by providing people in need with free transportation to clinical care. For every square yard purchased from the Bloom Collection, Mannington Commercial will donate 3% of the purchase price to Mercy Medical Angels in support of their mission.

**Since 1972, Mercy Medical Angels has provided more than 250,000 free trips to medical care for those in need. Today more than 17,000 free trips to medical care are provided each year, ensuring that no one in need is denied medical care because they don't have transportation.**

## **Making a Difference**

Contributions give the gift of life and healing. From cancer patients who must travel long distances to receive radiation and chemotherapy, to Veterans who need to travel for PTS treatments, supporting Mercy Medical Angels gives families the light of hope when illness casts a shadow on their lives.
