Carpet Performance

Our broadloom and modular carpets are constructed with premium raw materials and withstand rigorous testing to provide you with flooring that will meet the needs of every commercial space.

Proven by Third-Party Testing

Every carpet we make at Mannington Commercial is third-party tested and proven to exceed industry standards in appearance retention, texture retention, fire safety factors and static generation, and our modular carpet exceeds industry standards in dimensional stability—so you can be sure that the carpet you specify will perform for years to come.

Easier to Maintain

- > XGUARD® Stain Resistant Technology provides long-term stain resistance for our space dye products.
- > ColorSafe® Bleach Resistant Technology resists color fade-out from bleach spills for our space dye products.
- > Moisture-barrier backings are built to withstand aggressive wet cleanings.

Backing Advantages

- > Infinity® 2 Modular backing provides exceptional performance with a moisture barrier.
- > Infinity® 2 Modular backing offers superior tuft bind and dimensional stability with a limited lifetime warranty.

3.5 TARR

- > Blueprint Collection carpet was specifically designed with a 3.5 TARR rating for use in severe environments with rigorous foot traffic situations including public areas, lobbies and dining facilities as well as transportation service areas such as airports. The TARR on our carpets is tested and verified by an independent lab.

Sustainable Solutions

- > Supported with EPDs and HPDs.
- > Infinity® 2 Modular backing is CRI Green Label Plus Certified and NSF/ANSI 140 Gold Certified.
- > Infinity® 2 Modular backing contains recycled content.
- > Recognizing the impact that the built environment can have on Earth's climate and health, Mannington Commercial is improving operations and offsetting cradle-to-gate embodied carbon by 105% on this collection, as part of our commitment to helping customers take positive action through their projects.

BurkeBase® - 208 Light Grey, Optic Hush (Modular) - Absorb 91352

Available Profile Heights	BurkeBase® Premium TS Molded 1/8"	BurkeBase® Type TP 1/8"	BurkeBase® Type TV 1/8"	BurkeBase® Type TV .080"

	Limited 15-Year ColorSafe® Bleach Resistant Warranty		

- Specifications are based on averages from normal manufacturing tolerances. Such variations do not affect product performance.
- Protective chair pads are recommended under office chairs with roller casters to preserve appearance and avoid premature wear.
- As with all quality carpets, slight variation in color may occur from dye lot to dye lot.
- Backing or other materials may be changed without prior notice when shortages occur or when technological advancements provide improved product performance.
- This product is intended solely for use as an indoor floor covering and is not recommended or sold for any other purpose.
- The inherent characteristics of geometric linear patterns can result in double-dark or double-light lines at the seam and to some extent pattern run-off or bias. This is not a manufacturing defect, and as such, should be considered when selecting a modular carpet installation method.
- Please make your final selection from an actual swatch. To order samples, go to manningtoncommercial.com or call 800.241.2262 ext. 6913.
