Tailored. Sophisticated. Versatile. Enduring.

Dapper Dialogue is a sophisticated carpet collection that speaks the language of timeless style. Inspired by the rich heritage of textiles and classic menswear, this collection weaves together refined patterns like plaids, herringbones, and intricate textures, creating a foundation of elegance for the modern workplace. Designed in a versatile neutral color palette, Dapper Dialogue offers four distinct styles that complement and layer seamlessly, much like a well-curated wardrobe. Balancing contemporary trends with enduring sophistication, this collection brings a tailored, polished aesthetic to interior spaces —one that feels as timeless as it is relevant.

The molecular strength of type 6,6 nylon delivers greater resilience against matting and resists abrasive wear, keeping carpet looking better longer.

Easier to Maintain

- ✔ XGUARD® Stain Resistant Technology provides long-term stain resistance for our space dye products.
- ✔ ColorSafe® Bleach Resistant Technology resists color fade-out from bleach spills for our space dye products.
- ✔ Moisture-barrier backings are built to withstand aggressive wet cleanings.

Sustainable Solutions

- ✔ Supported with third party verified EPDs and HPDs.
- ✔ Infinity® 2 Modular and rEvolve® II backings are NSF/ANSI 140 Gold Certified and contain recycled content.
- ✔ Recognizing the impact that the built environment can have on Earth's climate and health, Mannington Commercial is improving operations and offsetting cradle-to-gate embodied carbon by 105% on this collection, as part of our commitment to helping customers take positive action through their projects.

Backing Advantages

- ✔ Infinity® 2 and rEvolve® II Modular backings provide exceptional performance with a moisture barrier as well as superior tuft bind and dimensional stability with a limited lifetime warranty.
- ✔ rEvolve® II is a PVC-free modular backing. For additional backing options please visit our website.

TARR

- ✔ Dapper Dialogue Collection carpet was specifically designed with a 3.5 TARR rating for use in severe environments with rigorous foot traffic. This includes public areas, lobbies and dining facilities as well as transportation service areas such as airports. Our TARR rating is tested and verified by an independent lab.

Proven by Third-Party Testing | Every carpet we make at Mannington Commercial is third-party tested and proven to exceed industry standards in appearance retention, texture retention, fire safety factors and static generation, and our modular carpet exceeds industry standards in dimensional stability—so you can be sure that the carpet you specify will perform for years to come.

No Moisture Testing Required*

Solutions crafted for high-moisture conditions. Defeat moisture issues with carpet backings that do not require moisture testing*.

We have solutions for broadloom and modular carpet to make moisture worries evaporate. From backing options to adhesives to a dry installation system, explore solutions that defeat moisture concerns while enhancing the performance of your floor.

Warranty

Limited Lifetime Wear & Backing
Limited 15-Year XGUARD® Stain Resistant
Limited 15-Year ColorSafe® Bleach Resistant

View full collection specs.

- Specifications are based on averages from normal manufacturing tolerances. Such variations do not affect product performance.
- Protective chair pads are recommended under office chairs with roller casters to preserve appearance and avoid premature wear.
- As with all quality carpets, slight variation in color may occur from dye lot to dye lot.
- Backing or other materials may be changed without prior notice when shortages occur or when technological advancements provide improved product performance.
- This product is intended solely for use as an indoor floor covering and is not recommended or sold for any other purpose.
- The inherent characteristics of geometric linear patterns can result in double-dark or double-light lines at the seam and to some extent pattern run-off or bias. This is not a manufacturing defect, and as such, should be considered when selecting a modular carpet installation method.
- Please make your final selection from an actual swatch. To order samples, go to manningtoncommercial.com or call 800.241.2262
